Product image**Potential-distribution modules; system accessory**

A wide range of accessory modules is available for individual requirements of machine and plant engineering. Various potential distribution modules are available for the supply of sensors with 2- to 4-wire connection technology directly from the remote I/O system. These offer 16 "PUSH IN" potential points and supply your application with any auxiliary potential available. An empty module, where the system bus and voltage supply are looped through, allows you to plan expansion slots in a system and to start these up without any interruptions if required.

General ordering data

Version	Remote I/O module, IP20, Reserve module
Order No.	1315770000
Type	UR20-ES
GTIN (EAN)	4050118118841
Qty.	1 pc(s).
Packaging	Cardboard box
Replacement parts	1350930000 1347370000 1346510000

Creation date October 3, 2022 6:09:10 PM CEST

Catalogue status 23.09.2022 / We reserve the right to make technical changes.
